REFERENCES - SCHOOLS

SABHAL MOR OSTAIG, ISLE OF SKYE, SCOTLAND
Big Hanna Composter model T60 has been composting food waste at Scotland’s unique Gaelic college of further decuation since 2003.

ST LAWRENCE SCHOOL, BRADFORD ON AVON, ENGLAND
Big Hanna Composter model T60 installed in a school in Wiltshire. The Project was initiated by the Wiltshire Wildlife Trust.
Read more in their case study.

OKEHAMPTON COLLEGE, CO DEVON, ENGLAND
Okehampton College has a volunteer scheme called ‘Growing Our Futures’ that provides students with practical experience of vegetable growing as well as the college’s kitchens with a ready supply of tasty and fresh produce. The Big Hanna has added an extra dimension, allowing the food waste to be composted and the compost to provide a growing media for the vegetable garden. This machine was installed in 2009.
